EXPERIENCE:

Wenixo | Legal Intern | May 2026 - August 2026

- As a Legal Intern at Wenixo, I support the company's healthcare compliance efforts by researching regulations such as HIPAA and HITECH and helping ensure adherence to privacy and security requirements.
- I review and assist in drafting legal documents, including BAAs, NDAs, and other compliance-related materials. Additionally, I conduct legal and market research on healthcare technology compliance solutions and communicate directly with compliance firms to negotiate pricing and compare services.

WordPress | AI Leaders Program | February 2026 - June 2026

- Participant in the inaugural AI Leaders Program cohort; developed practical expertise in applying AI tools, including WordPress and emerging platforms, to enhance productivity, collaboration, and the responsible use of AI in professional settings.
- Selected as one of the top finalists in the program, an advanced cohort recognizing exceptional engagement, leadership, and achievement throughout the program. Earned an AI Leaders Micro-Credential.

Chicago Undergraduate Law Journal | Staff Writer | Dec. 2025 - Present

- Working as part of Chicago's Undergraduate Law Journal, I research, analyze, write, and edit articles in the field of law. I am assigned to the Criminology cohort, where I collaborate with my team to prepare articles for publication in the journal.

Mock Trial Organization | President | September 2024 - Present

- Travel across the Midwest to simulate real-life courtroom trials. Collaborate with team members to develop trial strategies, build case materials, and prepare presentations. Deliver opening statements, direct examinations, cross-examinations, and closing arguments.
- Responsible for ensuring the team has proper travel arrangements. Organize outreach to sponsors and campus events, assist with recruitment efforts, and manage team funds.

Perfect Game | Event Coordinator | April 2026 - August 2026

- Plan and execute baseball events. Coordinate game schedules and manage field logistics to optimize event flow. Assist teams and coaches by providing support to enhance their experience. Collaborate with on-site staff to create a positive environment for athletes and their families.
